

## SCALA MEDIA PLAYER-L

An affordable entry-level single HD output media player with support for device monitoring and single-zone and HTML5 content. Scala's licensing provides the flexibility to expand the Scala Media Player-L's supported features to include full device monitoring and support for playback of ScalaScript content. With a compact, fanless design the Scala Media Player-L easily fits into any digital signage location while staying protected from debris that could compromise performance.

**SMALL FOOTPRINT,
